An oasis in downtown Denver since 2009, The Lobby is a favorite neighborhood hangout for folks to GATHER, FEAST & IMBIBE. You might even notice a bit of a theme running through our menu. We're serious about having a good time, in a laid-back, Southern-comfort kind of way, and we're serious about seeing that you do too. Things get rockin' pretty good in here once the bottomless mimosas start flowing.

We're proud to be a family-owned business in Denver and support other Colorado-owned businesses whenever we can. We are an all-scratch kitchen, using fresh ingredients including many from neighboring companies and are avid supporters of Colorado brewerries and distilleries, featuring a constantly rotating and growing selection that complements the seasons, and our menu. Enjoy your time with us, and be sure to let us know what you think!
